An Attempt Made to Have Lingg Declared Insane.

Preparations Prepared for a Writ of Habeas Corpus.

Ogleby Hears the Pleaders for Commutation.

An Early Declaration of the Intentions Expected.

[Lingg's Application.]

CHICAGO, November 9.—A petition was presented to the county court to-day asking that Lingg, the condemned anarchist, be examined as to his sanity. Judge Prendergast refused to grant the application, and demanded to know if the petitioner had not been counted out at the election. The petitioner replied that he had been counted out. Whereupon Grinnell, assistant State's Attorney, asked that the petition be dismissed. Judge Prendergast refused to hear the petition, and after the argument court adjourned until to-morrow.

[Writ of Habeas Corpus Demanded.]

CHICAGO, November 9.—Upon the motion of Attorney [illegible] Judge [illegible] granted an order for a writ of habeas corpus in the case of Fielden and Schwab. The writ is made returnable to-morrow morning at 9 o'clock, and directs that the defendants should have a hearing before the court at that time. The motion will be argued before one of the judges of the criminal court to-morrow.

[Spies' Petition for Mercy.]

SPRINGFIELD, November 9.—The governor has given out no information as to his action in the case of Spies, only that some decision will be given. It was said this afternoon that Spies, in view of the fact that the governor would be absent from the city, would have a letter before the governor from Spies asking for a commutation of sentence. It is claimed that Spies, in his speech, said that if Spies should be hung the law would be satisfied. In this letter Spies asked that the sentence of his comrades be commuted and that he may die, instead, suffering Grinnell's sentence.

[Parole at Springfield.]

SPRINGFIELD, Ill., November 9.—A large crowd stood on the platform at the depot this morning waiting to see the Chicago anarchists, which have come to Springfield with Governor Oglesby in the [illegible] of the condemned murderers. Captain Black, of the Chicago detachment, [illegible] the train the detachment moved to the headquarters of the Chicago Grays. The Chicago women [illegible] have permission of the governor to call [illegible] afternoon.

Professor William Salter and D. A. Lloyd have set off petitions which they will lay before Governor Oglesby after the first interview is granted. Captain Black has side charge of the union petitions and of these there are very many. [illegible] placed [illegible] by them here and Buchanan who [illegible] the attorney of the murderers and [illegible] from all parts of the country and there are seven miles of names bearing for clemency. A delegation of labor people from New York claim they have petitions with a hundred thousand upon a similar line. The feeling among the labor people who have come here is that there can be no argument before the governor on legal questions in the case. The two points now to be presented are questions of mercy and public policy.

Governor Oglesby received the Chicago delegation in behalf of the anarchists about 11 o'clock. There were about one hundred friends of the condemned men present in the room when Captain Black, their leader, began to relate the general petition, which had been signed by the men themselves and when he came to the end. This has been signed by Michael Schwab, Samuel Fielden and Albert Spies. The persons that Parsons, Fischer and Engel did not sign the paper was because they claim that they have forwarded to your excellency their own applications and did not think it necessary to send this.

The petition recites the history of the case of Spies for which the petitioners will accede and [illegible] that [illegible] of Spies either threw the fatal bomb or advised its throwing, that they [illegible] knowledge of the fact that it was [illegible] that they had always [illegible] and discouraged crime. [illegible] was diverted to infer [illegible] that they had not had [illegible] that such a trial [illegible] in view of the [illegible] of the state of public sentiment [illegible] existed. Captain Black [illegible] from Otis S. [illegible] the [illegible] of the petitioners [illegible] to the headquarters of the Chicago Grays.

After [illegible] petition and affidavit Captain Black dressed the governor. [illegible] every effort had been [illegible] with the condemned men [illegible] the reasons for [illegible] Governor Oglesby [illegible] that he had joined in the recommendation [illegible] Governor Oglesby for Fielden and Schwab. He disposed of the [illegible] of the application he made [illegible] touching appeal for [illegible] to the views of [illegible] the [illegible].

Attorney Donnelly followed Captain Black. He asked for mercy on [illegible] Governor [illegible] Mrs. Lucy E. Richmond [illegible] of the Amnesty association [illegible] Spies had evidently [illegible] prepared for [illegible] Governor [illegible] Governor Oglesby and justice upon [illegible] Governor generally and [illegible] generally for the [illegible] and children of the condemned.

Hon. C. M. Haines of Waukegan followed. He asked for commutation of sentence on grounds of justice and public [illegible]. He said he was character [illegible] Governor Oglesby was convinced [illegible] he appeared of his conviction.

Colonel Street of the Republican committee was the next speaker. He was [illegible]
